MERYL DEUTSCH & ASSOCIATES is a Florida Licensed Interior Design firm authorized and approved to provide services for all public spaces. Continuous knowledge of applicable codes and current environmental applications enable the firm to provide a safe and environmentally sound, eco friendly project.

Published and award winning, Meryl Deutsch and her staff are dedicated to creating interior designs unique to the project and not “cookie cutter” plans.

Purchasing services are all inclusive. Years of extensive purchasing directly from manufacturers and vendors results in the best value for every dollar spent.

After extensive review of the client’s goals, priorities and time expectations, critical paths and budget are established, setting the guidelines for progress and completion of the project.

The firm’s goal is always client satisfaction and completion ***on time and within budget!***
